SAAB 340 SUPPORT PROGRAM

+1 207 217-6050 | inquiries@cla.aero | cla.aero

YOUR ONE-STOP SOLUTION FOR SAAB 340 SUPPORT AND SERVICE

Here at C&L, we've invested in the long-term viability of the **Saab 340** aircraft. We've done this by dedicating significant resources over the past several decades into Saab 340 programs designed to save you time and money. We are the world-wide leader for Saab 340 support, and your one-stop solution for Saab parts, maintenance, component repair, engine support, aircraft sales, and engine sales.

We have one of the world's largest inventories of Saab 340 parts - available for operators along with a complete range of programs and parts support that can be tailored to your specific needs.

All parts are available for purchase or exchange at competitive prices and with industry warranties. These parts are in new, overhauled, and serviceable condition and available individually or as part of a package.

At C&L, aircraft parts are thoroughly inspected and tagged prior to being placed in inventory ready for sale. All of the parts and certificates are photographed and scanned, and they are readily available for customer inspection online and included as part of a quote.

Enjoy 24/7 parts support and international same-day shipping from our strategically located, fully stocked warehouses around the globe.

We offer:

- Spare Parts Supply
- Component Exchange Programs
- Repair Management
- Consignments
- Power-By-The-Hour
- Landing Gear Exchange
- Landing Gear Management

- Prop Exchange
- Prop Repair Management
- Distribution of OEM Product
- Tooling and GSE
- Contract Pricing
- CT7 Engine and Parts Program

The screenshot displays the SAAB 340 Customer Web Portal. The top navigation bar includes a 'Home' button and a search field labeled 'Search for Part #'. The main content area is divided into two columns. The left column features a sidebar with navigation links: Home, My Account, Parts, Part Search, Cores Due, Shipments/Invoices, Shipments, and Open Orders. The right column shows a 'Welcome' message, a world map, and a table of 'Office Hours' for various locations. Below this, there is a 'Contacts' section with phone numbers and an email address. The bottom section of the screenshot shows the 'Shipments' page, which includes a table of 'Latest Shipments' with columns for Part #, PO #, Description, Qty, Shipped on, Shipped Via, Account #, Tracking #, and Download Invoice.

Customer Web Portal

With our secure customer portal, tracking your orders, shipment, payments, and more has never been easier.

Benefits:

- Preloaded pricing for contract items
- Request quotes for parts not covered under contract
- View open purchase orders
- Track shipments
- Print/download invoices
- Print/download statements
- View wire transfer information
- PBH Management
- Make payments online

Factory Overhauled Landing Gear

C&L Aerospace, through our partnership with Heroux Devtek, offers the following options for Saab 340 Landing Gear:

- OEM approved parts
- Exchange units readily available
- Repair management
- Line maintenance parts support

Features/Benefits:

- Competitive and contract pricing
- 12-month warranty from the date of return from overhaul

Propeller Services

C&L offers a wide variety of services related to Saab 340 Aircraft Dowty Propellers.

Our services include:

- Propeller exchange
- Dowty and Hamilton propeller sales
- Propeller repairs
- Proper weighing and balancing
- Propeller 5-year regrease

CT7 Engine Sales and Repair

Avoid the high costs of repair through our engine exchange and purchase programs. It is our practice to keep a number of engines in stock, offering a choice of fresh-from-refurbishment and time continued options.

We buy, sell, exchange, and lease regional aircraft engines. We can also exchange engine modules and LRUs.

We have particular, extensive knowledge of CT7 engines, and are both the largest supplier and world's largest inventory holder (outside of the OEM) of CT7 engine parts.

Providing everything from basic line maintenance to full OEM support.

C&L is here to support you with any and all CT7 Engine maintenance needs:

- Offerings include everything from minor field work to large module changes to full OEM-level support
- We work with OEM authorized shops and our own inventories to manage engine repairs for customers and implement methods to lower the cost of engine shop visits
- Our extensive CT7 parts inventory allows us to lower costs and pass the savings along to you

Europe / Africa +420 312 312 601
Asia / Australia +61 (0)7 3354 8100

CT7 Engine Parts and LRU Support Programs

CT7 Engine Parts

At C&L, we have disassembled a large volume of CT7 engines for parts, and we have purchased large surplus inventories. All of our parts are supplied with 8130/EASA release or OEM certification from GE or a GE-authorized repair facility. Supporting both CT7-5A and CT7-9B models, we offer substantial savings on your engine repair costs with parts available for less than OEM listed prices.

LRU Support Programs

C&L is the recommended vendor for CT7 ECMP and non-ECMP LRU support by GE Aviation. With GE no longer offering CT7 LRU coverage of their own, we have bridged the gap in coverage with the following options:

- LRU exchange programs
- LRU hourly support program
- LRU repair management
- Readily available fuel injector exchange program as part of the LRU
- Preferred pricing

Europe / Africa +420 312 312 601
Asia / Australia +61 (0)7 3354 8100

Pressurized Engine Containers

C&L manufactures pressurized engine containers for the CT7 engine.

Benefits:

- The OEM specifies that CT7 engines can only be preserved for a maximum of 12 months, after which the engine needs to be run on an aircraft or test cell. Our engine preservation containers allow for indefinite storage. One test cell run can exceed the price of an engine preservation container.
- Ensures engines are in a climate-controlled space
- Humidity free
- Provides long-term storage solution for operators with engine spares for their fleet
- In stock

Champion Igniter Plugs

With C&L, you receive major savings on factory new CT7 Champion Igniter Plugs, which are shown to have a longer life than the competing Unison brand plugs. As a distributor of this plug, we offer **guaranteed fixed pricing** of Champion FAA-PMA approved Igniter Plugs as a direct replacement for the OEM and Unison Igniter Plugs.

Description	Part Number
Champion Igniter Plug	CH34419
GE Part Number	5044T67P07
Application	CT7-5A, -7A, -9B, 9C Engines

Barry Engine Control Mounts

C&L Aerospace is an authorized distributor of Barry Engine Control Mounts. Mounts are stocked for quick delivery in our three global warehouses and **available for flat-rate exchange with no billbacks**. Both exchange and sale programs are available for time-expired parts.

Part Number	Description	Condition
93948-10	Engine Side Mount, LH	OH
93948-11	Engine Side Mount, RH	OH
93948-17	Engine Bottom Mount	OH
93948-41	Engine Aft Mount	NE

PPG Windshields

C&L Aerospace stocks and distributes Saab 340 windshields, manufactured by PPG, to operators and MRO facilities around the world.

PPG windshields are made of glass and guaranteed to be able to be installed without any fit issues. Windshields come with a 36-month from manufacturer ship date or 24-month from installation warranty, and are stocked at our three global warehouses.

PMA Carbon Brake Stack and Brake Overhaul

C&L offers a brake overhaul for the Saab 340 utilizing the Desser Carbon Heat Stack, which is less expensive and longer lasting than the OEM.

- 5013270-DAC (REPLACES OEM P/N 5013270)
- C&L is the exclusive distributor for the Desser Carbon Heat Stack
- Replaces 30-year-old carbon technology with the latest state-of-the-art carbon/carbon resins/carbon manufacturing processes to create the most consistent carbon on the market
- Independently tested on 2 different dynos
- Over 200 development tests and certification test landings at max gross landing weight (MGLW) with zero failure

Certification tests confirm:

- Guaranteed at minimum 15% better wear than OEM
- Shorter rejected takeoff stopping distance
- Equivalent design landing stopping distance
- 30% faster brake cooling

FAA Flight test demonstrated:

- 500 ft reduction in accelerated stopping distance (RTO)
- 50 ft reduction in design landing distance
- PMA is FAA certified, EASA, and TC approved
- Brake consignment available

Sealed Lead Acid (SLA) Battery

- Replace your Saab 340 batteries with higher performance, lower maintenance cost Sealed Lead Acid (SLA) batteries from Securaplane.
- C&L Aerospace, in partnership with Securaplane Technologies, a Meggitt PLC Company, offers the Secureplane SLA battery for the Saab 340 Aircraft. The **non-hazardous** SLA batteries are a maintenance free battery, as they can directly replace existing Ni-cad batteries and offer superior hot and cold weather performance and the ability to recover from deep discharge. With this battery, you can expect significant cost savings on maintenance, shipping, installation, and operations.

Major Feature	»	Advantage
Longer battery life		Lower operating costs
30-month warranty (not prorated)		Cost savings
Twice cold cranking amps		Dispatch reliability saving time and money
Superior temperature performance		Reliability of operation in cold environment
Long storage life		Reduced storage and labor cost
No deep cycling required		Reduced maintenance
Non-hazardous shipping		Not shipping via hazardous cargo reduces costs/time
More environmentally friendly		Reduced tracking paperwork
Immune to thermal runaway		Battery removal and aircraft safety

Overhauled Pitot Tubes

C&L Aerospace distributes Saab 340 overhauled Pitot Tubes on a flat-rate exchange for \$10,500.

Benefits include:

- Significantly reduced costs compared to a new unit
- Completely overhauled to new specs
- Complete with 18-month warranty from time of overhaul
- Each unit comes with a dual release 8130 tag

Part Number	Description	Condition	Price
0856-ML3	Pitot Tube	Overhauled	\$10,500
0856-ML4	Pitot Tube	Overhauled	\$10,500
0856-MU	Pitot Tube	Overhauled	\$10,500

ARTEX Emergency Locator Transmitters and Personal Locator Beacons

Through our partnership with ARTEX, C&L distributes Emergency Locator Transmitters (ELT) and Personal Locator Beacons (PLB), along with their installation kits, batteries, and antennas.

The ARTEX C406-1 is a single output ELT that utilizes one RF connector to a single cable that connects to ARTEX single input antennas. The locator provides increased safety and security in aircraft for operators. Units feature the following:

- Global coverage
- Encoded digital message broadcast
- 406 distress
- Local search and rescue signal

Benefits of buying with C&L:

- Quick battery replacement and support
- Installation kits also available
- Antennas and remote switches available for any configuration
- ELT units can come pre-programmed by us so the configuration fits your geographic region
- FAA/EASA/TC approved
- Products stocked in-house and ready for immediate shipment worldwide

Essex Industries PBE Smoke Hoods

Major Feature	»	Advantage
Lightest PBE on the market		Lowers cost of ownership
Compressed oxygen cartridges		Safest PBE available
No dangerous chemicals used to produce oxygen		Can be shipped easily
Easiest PBE to deploy and don		Preferred by cabin crew
PBE with the widest range of vision		Clear visibility in critical situations
Only PBE with end-of-service indicator		Ensures cabin crew safety (see photos to the right)
Only PBE with humidity indicator		Quick verification that PBE is operational

Safran Oxygen Masks

Through our partnership with Safran, C&L is offering overhauled oxygen masks at a substantial saving compared to purchasing new.

Safran Oxygen Masks

- Available for all MC10, MA10, MF10 series masks
- Flat Rate repair/overhaul program with 2-year warranty
- Huge savings compared to buying new
- All OEM parts used in repair
- Available for immediate shipment
- 8130 dual release tags

Why are Safran Oxygen Masks the most trusted in the market?

Safety:

- Superior hypoxia and smoke protection
- Donned in less than 5 seconds

Simplicity:

- One-hand control
- Designed for comfort

Reliability:

- 40+ years of experience and expertise
- 100,000+ masks and regulators in the field

Saab 340 Aircraft Sales and Leasing

We've been involved with the regional aircraft market for more than 25 years, which means our prospective buyers benefit from direct access to resources not usually available from the average aircraft broker. We have a large, existing network of regional aircraft operators which we have nurtured over time and leverage that network when marketing aircraft. We've also built a facility that includes everything onsite and at-hand — maintenance hangar, paint hangar, warehouse, interior shop — needed to get an aircraft into revenue service.

The results are faster regional aircraft transactions.

Our professional staff also is the authority on all aspects of aircraft re-marketing, and we act as an exclusive agent for our clients. With our in-depth market knowledge and targeted marketing programs, the process is both seamless and profitable for our customers.

For our clients, we identify prospective customers, negotiate contracts, and prepare marketing materials. We can also negotiate lease extensions, revisions, and off-lease return conditions.

We Offer:

- Aircraft sales
- Aircraft re-marketing
- Aircraft management
- Consulting
- Pre-buy inspections
- Aircraft parking and storage
- Aircraft teardown

North America +1 207 217 6050

Saab Maintenance, Repairs, and Overhaul

We specialize in supporting Saab 340 operators with a complete range of services that can be customized to reduce aircraft operational costs and downtime. And we do it all from our multi-hangar facility in Bangor, Maine, adjacent to Bangor International Airport. From maintenance and avionics to interior refurbishment and aircraft paint, we can service the Saab 340 nose-to-tail without ferrying them to and from different facilities.

We offer the following services:

- Heavy maintenance
- Component repair
- Structural modifications
- Engineering
- Aircraft paint
- Interior refurbishment and modification
- Cargo conversion
- Wifi installations
- ADS-B solution
- Pre-purchase inspections
- Aircraft marketing and sales
- Aircraft and engine leasing
- Aircraft teardown
