# **BEECHJET PROGRAM GUIDE**

+1 207 217-6050 | [bizjets@cla.aero](mailto:bizjets@cla.aero) | [cla.aero](http://cla.aero)

YOUR ONE-STOP SOLUTION FOR BEECHJET SUPPORT AND SERVICE

We have one of the world's largest inventories of BeechJet - rotatable and expendable - available for operators along with a complete range of programs and parts support that can be tailored to your specific needs.

All parts are available for purchase or exchange at competitive prices and with industry warranties. These parts are in new, overhauled, and serviceable condition and available individually or as part of a package.

At C&L, aircraft parts are thoroughly inspected and tagged prior to being placed in inventory ready for sale. All of the parts and certificates are photographed and scanned, and they are readily available for customer inspection online and included as part of a quote.

24/7 parts support and international same-day shipping from our strategically located, fully stocked warehouses around the globe.

## **We Offer:**

- Spare Parts Supply
- Rotable Exchange Programs
- Rotable Repair Management
- Brake Exchange Programs
- Flight Controls
- Landing Gear
- Exchange Programs
- Repair Management
- Consignments
- Distribution of OEM Product
- Contract Pricing

## BeechJet Fire-Bottle

**P/N 2311321-1H** Available for exchange. Bottle replacements/refurbishments also available.

## Fuel Control Units

**P/N 790155-10** Available for exchange.

## Offering Repaired DK120 and DK120-90 Units for Immediate Exchange

The DK120 is a battery-operated underwater acoustic pulse generator (beacon/pinger) that is activated when the water switch is immersed in either fresh or saltwater.

### Our Program

- Competitively priced
- Available now for flat-rate exchange
- In stock
- Same-day shipping
- Located in all our global warehouses for quicker delivery
- 8130 dual release certificates

### Specifications

- Watertight aluminum case (1.3" dia, 3.92" length (less mount))
- Capable of operation at depths of up to 20,000 feet (6096 m)

- Detectable at a range of 2000 to 4000 yards (1800 to 3600 meters) based on environmental factors
- Sustained pressure up to 8700 psi
- Water switch actuation initiates beacon operation upon immersion in either fresh or salt water
- The battery used to power the DK120 will sustain beacon operation for a minimum of 90 days at an acoustic output of 160 dB operating frequency is 37.5 kHz
- The battery used to power the DK120-90 will sustain beacon operation for a minimum of 90 days at an acoustic output of 160 dB operating frequency is 37.5 kHz

## Overhauled Emergency Power Supply Units Available

Part Number	Model
501-1228-04	C

The L-3 Avionics PS-835 is a fully-enclosed power supply that provides continuous standby power for self-contained gyro horizons and essential flight instruments. The PS-835 Emergency Power supply is designed as a 24 VDC (nominal) emergency power source for prolonging the operation of a connected standby attitude indicator when the aircraft main power bus has de-energized. The is designed to easily fit into the existing avionics shelf.

### Specifications for PS-835C

<b>Dimensions:</b>	7.626"H x 14.114"L x 2.282"W	<b>Weight:</b>	8lbs
<b>Input Voltage:</b>	+28-30Vdc	<b>Output Voltage:</b>	+24Vdc (nominal)
<b>Altitude:</b>	55000 ft	<b>Temperature:</b>	-55C to +70C
<b>TSO:</b>	None exists	<b>Cell Power:</b>	2.5 Ah

### Our Program

- Competitively priced
- Available now for true flat-rate exchange
- Unit comes fully top charged
- In stock
- Same-day shipping
- Located in all our global warehouses for quicker delivery
- 8130 dual release certificates

## Artex battery 406 Series

Through our partnership with ARTEX, C&L distributes batteries for Emergency Locator Transmitters (ELT) and Personal Locator Beacons (PLB), along with their installation kits, and antennas.

The ARTEX C406-N is a single output ELT that utilizes one RF connector to a single cable that connects to ARTEX single input antennas. The locator provides increased safety and security in aircraft for operators.

### Units feature the following:

- Global coverage
- Encoded digital message broadcast
- 406 distress
- Local search and rescue signal

### Battery Part Number for 406-n Series

452-0133

### Benefits of buying with C&L:

- Quick battery replacement and support
- Installation kits also available
- Antennas and remote switches available for any configuration
- ELT units can come pre-programmed by us so the configuration fits your geographic region
- FAA/EASA/TC approved
- Products stocked in-house and ready for immediate shipment worldwide

## C&L is your One-Stop Solution for BeechJet 400 Series Maintenance, Repairs, and Overhaul

We specialize in supporting BeechJet operators with a complete range of services that can be customized to reduce aircraft operational costs and downtime. And we do it all from our multi-hangar facility in Bangor, Maine, adjacent to Bangor International Airport. From maintenance and avionics to interior refurbishment and aircraft paint, we can service the BeechJet nose-to-tail without ferrying them to and from different facilities.

### We offer the following services:

- Heavy maintenance
- Component repair
- Structural modifications
- Engineering
- Aircraft paint
- Interior refurbishment and modification
- WiFi installations
- LED Lighting
- Pre-purchase inspections
- Aircraft marketing and sales
- Aircraft and engine leasing
- Aircraft tear-down
