

C&L Aerospace

BEECHJET PROGRAM GUIDE

We have one of the world's largest Beechjet rotable and expendable inventories available for operators along with a complete range of programs and parts support that can be tailored to your specific needs.

All parts are available for purchase or exchange at competitive prices and with industry warranties. These parts are in new, overhauled, and serviceable condition and available individually or as part of a package.

At C&L, aircraft parts are thoroughly inspected and tagged prior to being placed in inventory, ready for sale. All of the parts and certificates are photographed and scanned, and they are readily available for customer inspection online and included as part of a quote.

We offer 24/7 parts support and international same-day shipping from our strategically located, fully stocked warehouses around the globe.

We Offer:

- Spare Parts Supply
- Rotable Exchange Programs
- Rotable Repair Management
- Brake Exchange Programs
- Flight Controls
- Landing Gear

- Exchange Programs
- Repair Management
- Consignments
- Distribution of OEM Product
- Contract Pricing

BEECHJET PROGRAM GUIDE

User Support Reference Guide

C&L offers numerous programs and support features to meet the needs of its customers with industry-leading components and an ever-expanding inventory of world-class options and accessories.

Below you will find a reference guide to access C&L's most up-to-date offerings and support.

C&L is the Largest Supplier of BeechJet Pitch Trim Actuators in the World

C&L has BeechJet Pitch Trim Actuators in stock and ready for immediate exchange.

Features:

- P/N 45AS61023-143
- Best available price on the market
- Available for flat-rate exchange
- In stock

- Exchanges available for immediate shipment
- 12-month warranty on all units
- 8130 dual release certificate

Ensure inventory is always available when you need it.

As the largest supplier of Pitch Trim Actuator units in the world, we want to make sure units are available when you need them. Customers who provide C&L with their aircraft maintenance schedule have the peace of mind of knowing that their Pitch Trim Actuators will be stocked and ready for shipment when they reach the 1800-hour replacement. Sharing your aircraft maintenance schedule helps ensure less downtime, reduced shipping expenses, and the ability to provide exchanges at the best price in the market.

Ask us about our contract pricing.

C&L has BeechJet 400 Brake Assembly Units in stock and ready for immediate exchange.

Features:

- P/N 400-8002-97 / 5010614
- Overhauled with fresh tags
- Competitively priced
- In stock

- Exchanges available for immediate shipment
- 12-Month warranty on all units
- 8130 dual release certificate

C&L has BeechJet 400 Starter Generators in stock and ready for immediate exchange.

Features:

- P/N 23080-050/45AS
- Available for standard exchange
- Competitively priced
- In stock

- Exchanges available for immediate shipment
- 12-Month warranty on all units
- 8130 dual release certificate

BEECHJET PROGRAM GUIDE

BeechJet 400 Actuator Product Line

C&L offers feature Actuation/Valve products on a flat-rate exchange at industry-best pricing.

Description	Part Number
Roll Trim Actuator	45AS66014-107,-108
Landing Light Actuator	45AS88830-007
Rudder Trim Actuator	45AS61014-111
Fuel Shut-Off Valve	45AS48017-007
Fuel Shut-Off Valve	45AS48002-005

C&L Offers Flat-Rate Solutions on BeechJet Heater Horns

P/N 45AS66010-019, 020

- Flat-Rate Repair
- · Quick Turn Times
- Some Exchange Units available for 12-month warranty on all repaired units immediate shipment
- Some Exchange Units available for immediate shipment

 - 8130 dual release certificate

BeechJet Pneumatic Storage Bottle

P/N 23111321-1H Available for exchange. Bottle replacements/refurbishments also available.

Fuel Control Units

P/N 790155-10 Available for exchange.

Offering Repaired DK120 and DK120-90 Units for Immediate Exchange

The DK120 is a battery-operated underwater acoustic pulse generator (beacon/pinger) that is activated when the water switch is immersed in either fresh or saltwater.

Our Program

- · Competitively priced
- · Available now for flat-rate exchange
- In stock
- Same-day shipping
- Located in all our global warehouses for quicker delivery
- 8130 dual release certificates

Specifications

- Watertight aluminum case 1.3" diameter, 3.92" length (less mount)
- Capable of operation at depths of up to 20,000 feet (6096 m)

- Detectable at a range of 2000 to 4000 yards (1800 to 3600 meters) based on environmental factors
- Sustained pressure up to 8700 psi
- Water switch actuation initiates beacon operation upon immersion in either fresh or salt water
- The battery used to power the DK120 will sustain beacon operation for a minimum of 90 days at an acoustic output of 160 dB operating frequency is 37.5 kHz
- The battery used to power the DK120-90 will sustain beacon operation for a minimum of 90 days at an acoustic output of 160 dB operating frequency is 37.5 kHz

Overhauled Emergency Power Supply Units Available

Part Number	Model
501-1228-04	С

The L-3 Avionics PS-835 is a fully-enclosed power supply that provides continuous standby power for self-contained gyro horizons and essential flight instruments. The PS-835 Emergency Power supply is designed as a 24 VDC (nominal) emergency power source for prolonging the operation of a connected standby attitude indicator when the aircraft main power bus has de-energized. The unit is designed to easily fit into the existing avionics shelf.

Specifications for PS-835C

Dimensions:	7.626"H x 14.114"L x 2.282"W	Weight:	8lbs
Input Voltage:	+28-30Vdc	Output Voltage:	+24Vdc (nominal)
Altitude:	55000 ft	Temperature:	-55C to +70C
TSO:	None exists	Cell Power:	2.5 Ah

Our Program

- · Competitively priced
- · Available now for true flat-rate exchange
- Unit comes fully top charged
- In stock
- · Same-day shipping
- · Located in all our global warehouses for quicker delivery
- 8130 dual release certificates

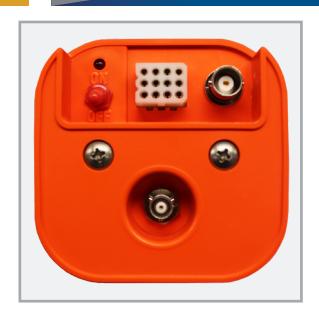

Champion Igniter Plugs

With C&L, you receive major savings on factory new General Electric CF34 Champion Igniter Plugs, which are shown to have a longer life than the competing OEM plugs. As an authorized Champion distributor, we offer guaranteed fixed pricing of Champion FAA-PMA approved Igniter Plugs as a direct replacement for the OEM Plugs.

- Champion Igniter Plugs are shown to have a longer life than the competition
- OEM approved
- Igniters are in stock at all our global warehouses
- Ready for shipment
- Competitively priced
- Contract pricing available

ARTEX C406-2 Emergency Locator Transmitter

Through our partnership with ARTEX, C&L distributes Emergency Locator Transmitters (ELT), along with their installation kits, batteries, and antennas.

ARTEX is a single output ELT that utilizes one RF connector to a single cable that connects to ARTEX single input antennas. The locator provides increased safety and security in aircraft for operators. Units feature the following:

- Global coverage
- Encoded digital message broadcast
- 406 MHz distress
- · Local search and rescue signal

Benefits of buying with C&L:

- Quick battery replacement and support
- Installation kits also available
- Antennas and remote switches available for any configuration
- ELT units can come pre-programed by us so the configuration fits your geographic region
- FAA/EASA/TC approved
- Products stocked in-house and ready for immediate shipment worldwide
- In-house installation available

Unit	Part Number	Battery Part Number
C406-2	453-5000	452-0133

ARTEX ELT 4000 Emergency Locator Transmitters

The all new ARTEX ELT 4000 is a transport-grade Emergency Locator Transmitter (ELT) that utilizes alkaline batteries. This innovative power source means that the ELT 4000 is completely exempt from FAA special condition requirements.

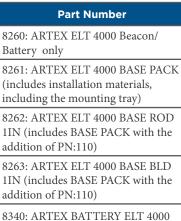

Through our partnership with ARTEX, C&L distributes Emergency Locator Transmitters (ELT), along with their installation kits, batteries, and antennas.

ARTEX is a single output ELT that utilizes one RF connector to a single cable that connects to ARTEX single input antennas. The locator provides increased safety and security in aircraft for operators. Units feature the following:

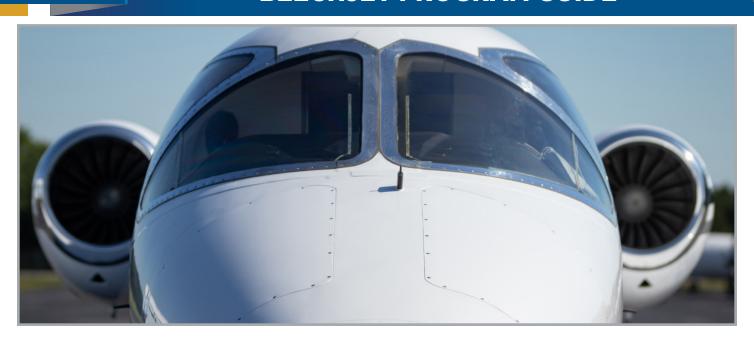

- Global coverage
- Encoded digital message broadcast
- 406 MHz distress
- Local search and rescue signal

Benefits of buying with C&L:

C&L is your One-Stop Solution for BeechJet 400 Series Maintenance, Repairs, and Overhaul

We specialize in supporting BeechJet operators with a complete range of services that can be customized to reduce aircraft operational costs and downtime. And we do it all from our multi-hangar facility in Bangor, Maine, adjacent to Bangor International Airport. From maintenance and avionics to interior refurbishment, we can service the BeechJet nose-to-tail without ferrying them to and from different facilities.

We offer the following services:

- Heavy maintenance
- Component repair
- · Structural modifications
- Engineering
- Interior refurbishment and modification
- WiFi installations
- · LED lighting
- Pre-purchase inspections
- · Aircraft marketing and sales
- · Aircraft and engine leasing
- Aircraft tear-down

FEATURES AND BENEFITS OF WORKING WITH US

- One-stop solution for the BeechJet aircraft
- Transparent quoting system with photos of individual parts and documentation
- Decades of technical knowledge and experience of the Beechjet aircraft
- Large inventory located around the world
- Local offices, staff, and warehouses in your geographic region and timezone
- Parts programs designed to save you time and money
