YOUR ONE-STOP SOLUTION FOR ATR 42/72 SUPPORT AND SERVICE

Overview of ATR 42/72 Support

We have one of the world's largest inventories of ATR 42/72 - rotables and expendable - available for operators along with a complete range of programs and parts support that can be tailored to your specific needs.

Through our extensive investment in ATR teardown projects and acquisitions we own a rotable pool valued at over $40 million dollars for immediate shipment.

At C&L, aircraft parts are thoroughly inspected and tagged prior to being placed in inventory ready for sale. All of the parts and certificates are photographed and scanned, and they are readily available for customer inspection online and included as part of a quote.

24/7 parts support and international same-day shipping from our strategically located, fully stocked warehouses around the globe.

We offer:

- Spare Parts Supply
